FACULTY

Welcome Dr. Anderson

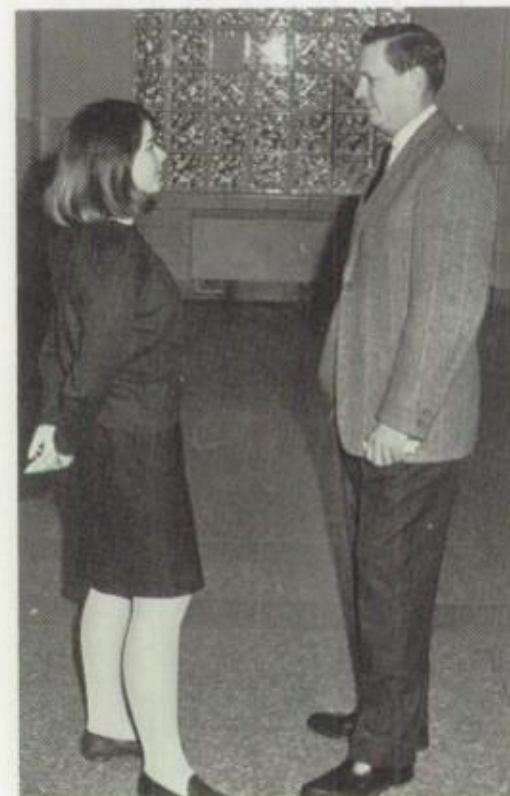

Dr. Calvin E. Anderson

Clayton High School welcomed a new principal this year, Dr. Calvin E. Anderson. During his first year as administrator, Dr. Anderson stressed the theme of more student freedom and responsibility, and thereby, more pride in the school.

Beginning in October, Dr. Anderson and the Senior Class instituted the Independent Study periods. This extension of the Student Lounge idea proved very successful. Student freedom was also extended into the assemblies where an attempt was made to eliminate advisory seating.

In his first year as Clayton High Principal, Dr. Anderson has inspired more student freedom; and in turn the students have demonstrated that they were capable of meeting their new responsibilities.

This year, the 1966 Greyhounds compiled a 7—2 record, the school's best in seventeen years, and placed second in league competition. They were a very strong team, having enough depth to field two equal units, the Orange and the Blue. This two-platoon system worked quite well as the opposing team faced a fresh squad every few minutes.

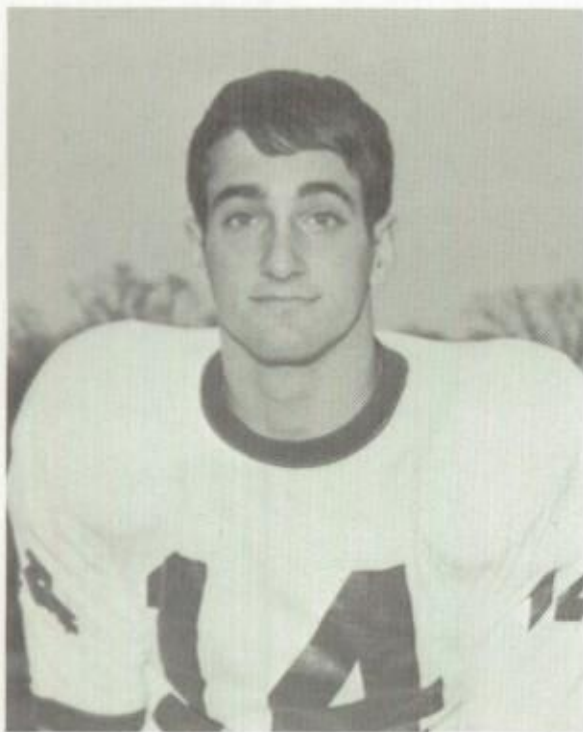

The team was mentally and physically prepared for the first game with St. Charles. Then the Hounds went on to defeat John Burroughs in one of the most thrilling games in Clayton's history. Following the great game were two let-downs; one loss to Brentwood in what

turned out to be the league title game, and one loss to Parkway. Roaring back with five straight victories, the team beat Lafayette, Maplewood, Berkeley, Wellston, and Afton.

For this year's Gridders, days of difficult practices, long hours of mental preparation, and meetings truly resulted in a fabulous season.

Coach Hovda, Coach Griffith, Coach Droste, and Coach Dufur discuss some new plays.

The Freshman Football team finished their season with a 3—2 record this year. Even more important, though, was the concept that this team was part of a revolution in football that took place at Clayton this year.

At times, when they put their minds to it, this year's frosh squad, led by tri-captains Marc Frost, Charlie Fishman, and Steve Berry, played some extremely good, hard-hitting, and impressive football. Most of the Hounds' troubles this year stemmed from a poor mental approach to their ball games and not from any physical deficiencies.

Overall, this year's frosh team has a lot to look forward to in varsity competition. Coach Griffith is going to inherit a squad with a good, fair-sized line, and a quick, fast-moving backfield.

Waterhounds post another winning record

One of the main highlights of the 1966 water polo season was that there were five evenly matched teams, any one of which had the potential to win the championship. Yet, even with this tough competition, the Clayton team turned in a fine record of 10 wins to only 4 losses.

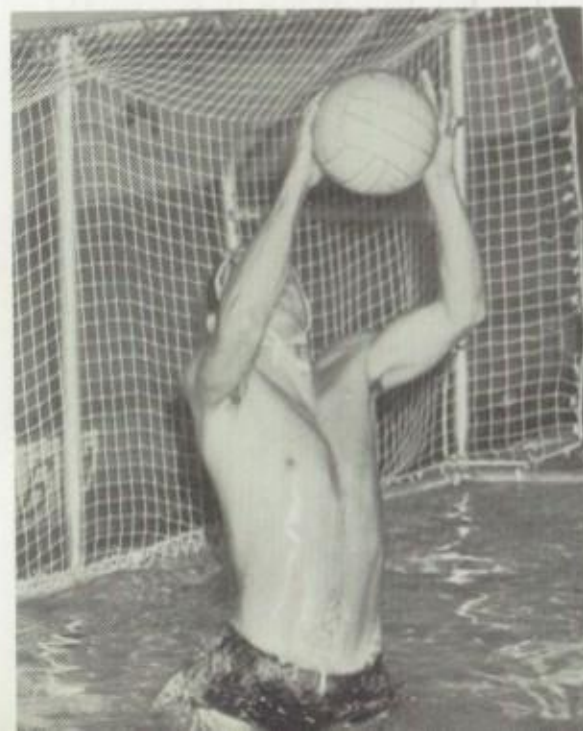

Jim Tober, Co-Captain, prepares to take a shot at the goal.

The waterhounds began the season slowly, losing their first games, but came back with tremendous spirit to beat such tough teams as Lindbergh and U. City. The J.V. team also deserves special recognition for winning the state meet. After losing to Lindbergh twice in their regular season, they were able to come back and upset them in the tournament finals.

Though the Varsity season might have been better, Coach Lundt feels that the team performed well. With many Juniors returning, a championship J.V. team, and an excellent coach, the prospects are good for the 1967 team.

Co-Captain Steve Rennard blocks a shot at the goal.

Steve Platte and Paul Kalish await the signal for the swim-off.

As he is being charged, Howard Dickler throws to Mike Frost (not pictured).

Alan Stiffelman recoils after taking a shot.

Jack Oglander flips a short pass to Bill Eidelman.

Cross Country Squad Fights for a 4—2 Season

The 1966 Cross Country team came through with an impressive effort this fall. Five senior lettermen, led by Dennis Cone and John Wiederaenders, accounted for the strong early start. Particularly impressive were the initial victories over the always-tough Lutheran South and Ladue squads. Following these victories and an easy win over Jennings, the hounds found it more difficult to score on top in the larger meets. They did, however, finish the season with a respectable fifth place at District.

Next year's squad faces severe losses as lettermen Dennis Cone, John Wiederaenders, Jim Varney, Jeff Berzon, and Bruce Silverman will all be graduating. Most of the burden will fall on the shoulders of junior Klemet Preus and sophomore Dennis Rufford. Overall Coach Freeman is pleased with the performance and progress of this year's squad.

B-Ballers have winning season

This year's B-Ball Hounds came back from a poor showing early in the season to give Clayton its first winning season in seven years. As usual the Hounds rarely carried more than ten men on the squad, and all of these saw a lot of action. The most consistent starters were the four returning lettermen: Lawrence Newman, Ed Presberg, Dennis Beldner, and Mike Vangel, plus junior guard Alex Bollis.

The Hounds had a fierce hustle and aggressiveness which earned them several tough victories. Playing without top scorers Beldner and Newman,

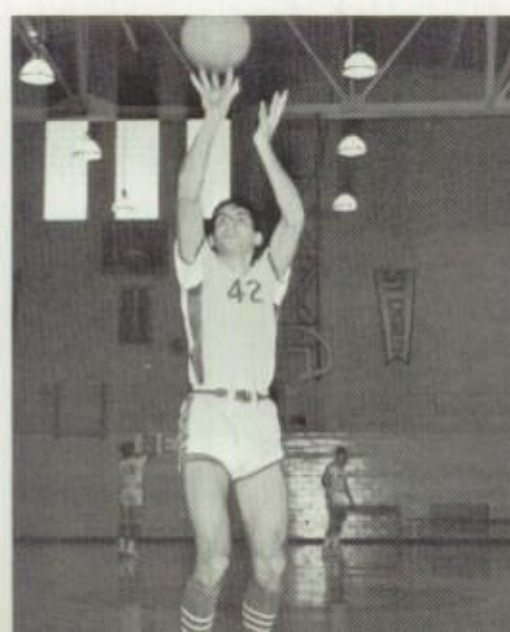

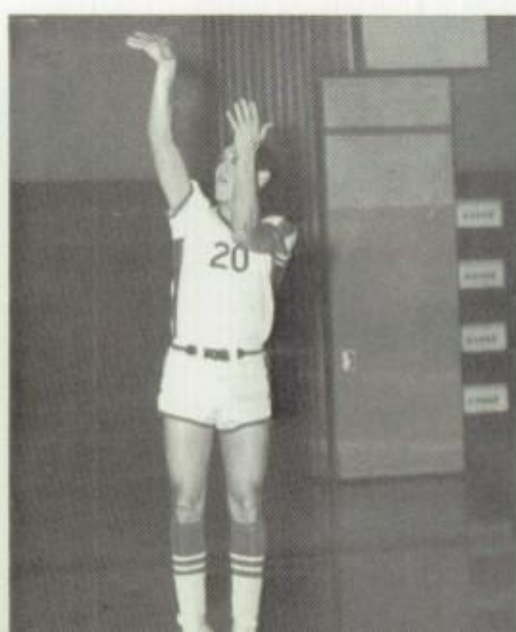

the Hounds hustled past Kinloch 67—65. After losing Presberg for the final seven games the Hounds beat Jennings in overtime 62—55 on clutch free throws by Alex Bollis, paving the way for a second place finish in the North County League. Beldner and Newman took over the scoring at Fairview, as Newman's dramatic jumpshot in the last four seconds won the game 64—63, and the two combined for 35 points to push the Hounds past traditional rival Ladue for the first time in many years.

Following an outstanding freshman year and an exceptionally good start, this year's Junior Varsity team ended with an 11—8 record. Although this year's record was better than previous years', Coach Hopper felt that with a little added effort and a few good breaks the team could have been a top contender for the league title.

The Hounds were undefeated in non-league play while they lost twice to each of four teams; Jennings, Wellston, Lafayette, and league-leader Berkeley. Paced by the shooting of Fred Peil, Roger Dickhans, Steve Kettelkamp, Bruce Aronson, and Steve Ackerman, and backed up by Steve Bressler, John Zahner, Randy Sherman, Lee Webber, and Mike Marks, the team finished fourth in the league with a 6—6 record and a disappointing fourth place in the tournament. The season's excitement was at its peak when the team, with a record of 9—1, met the 10—0 Berkeley team. After leading for three quarters, the Hounds bowed to the cheering crowds and steady play of Berkeley. High points in the season included a team score of 90 points against Hancock and an individual score of 42 points by Roger Dickhans against Kinloch. Despite the season's poor finish, Coach Pikey can anticipate improved play from a number of this year's players.

Frosh gain needed experience— have potential for good JV squad

Though appearances are deceiving, this year's freshman basketball team had quite an impressive season. Despite a 3—9 season record, the team had the necessary ability and stamina, and played much better ball than the numbers indicate. Losing two games in the final seconds and one in overtime hurt the Frosh, but they continued to fight back. The hounds gained defensive ability, and as the season progressed the rebounding percentage steadily increased. The chief factor in the games which were lost was the inability to control the game in the second half, as well as the free throw shooting. Led by team captain, Marc Frost, the Freshman did show a lot of desire, however, and with a little work should be able to have a fine JV squad.

Wrestlers turn in 8—4 record

This year's Clayton Wrestling team came through with an outstanding season. The team was led to an 8—4 record and second place in the league by a group of seniors who gave the team its main strength. Additional support came from the underclassmen. The team captains were Pat Ackerman, Jeff Hochman, and Tom Lipsitz. Jeff and Tom both had great seasons, losing only one match each. Pat, who was chosen the team's most valuable wrestler, had an undefeated season, pinning 10 out of his 12 opponents and taking third place in District. Other seniors helping the team were Terry Shanfeld with a 5—2 record, Mark Stern, 7—3—1, Bruce Abrams, 8—3—1, Marc Powers, 6—4, and Paul Pujol. The highlights of the season were the defeat of U-City 22—20, and also the smash over Maplewood 37—9. Swimmers win District

Coach Lundt

This year the powerful waterhounds splashed out the best season in their history. The team's excellent record included a 13—2 dual meet record, first in both the U-City Relay meet and the North District Swimming meet, second in the County Conference, and fifth in State.

The greatest victory of the year was the district meet, where nine Clayton swimmers combined forces to qualify for the state meet in Columbia. At state M. J. May, Bill Patten, and Co-captain Alan Stiffelman qualified in individual events. The medley relay of Bill Wolcott, Co-captain Steve Rennard, Mike Goldberg, and Jim Tober finished 4th, and the 400 yd. free-style relay of Jim Tober, Jack Oglander, Bill Wolcott, and Alan Stiffelman finished second.

Coach Lundt often said the Relay meet victory best shows the potential of the team. With all but six participants of that meet returning, another fine swimming season is inevitable.

Track squad shows

This year's track team was the strongest in many years. The '67 Hounds boasted talent in every area of competition. As usual Clayton's tradition of fine runners was continued in depth with some very good sprinters and hurdlers and an always-tough distance squad. The track hounds were especially strong in field events, too. This was shown by two fine pole-vaulters, strong men in the shot-put and discus, and two men handling the jumping events.

The track team was in a new league this year, North County. With a fine start, obvious talent, and dedicated work they fought all the way for the league championship.

Baseball teams depend on team unity . . .

At the beginning of the 1967 baseball season, the Greyhounds had a rather poor outlook. The squad was left somewhat short due to the loss of a number of lettermen, including most of the pitching squad. However, with the experience of the six returning lettermen—seniors Ed Presberg, Bill Mead, Jamie Robins, and Tom Knobloch, junior Alex Bollis, and sophomore Roger Dickhans—the Hounds looked very good. Some shifting of positions, the addition of more juniors to the squad, and five new pitchers helped throughout the season. With a lot of work by Varsity Coach Nick Adzick and JV Coach Earl Hopper, and a lot of time and effort exerted by the team, as well as the shift into the North County League, the '67 baseball team had a fine season.

Netmen strive to equal previous records

Coach Wally Lundt and Coach John Buell, are proud of another excellent performance by the tennis greyhounds. Returning this season were seven lettermen. Among them, Tom Bearman played an untouchable first singles, and Howard Dickler came through strong in the number two position. The other returning lettermen, Ron Cobb, David Lefton, Mike Frost, Bill Pegram, and Mike Isserman, as well as new players Manoj and Vinodh Narayanan, and Bob Pegram were also strong players in varsity competition. Though they played some very tough matches against teams like U. City, Burroughs, Country Day, and Ladue, the entire team is to be commended for their hard work and fine team spirit.

Golfers make every stroke count in tough competition

Experience played a key role in this year's golf squad. Led by returning lettermen Bill Eidelman, Allen Leet, Jerry Michelson, and Jim Weisman, the team faced tough competition in their new North County League. They also played some

difficult matches against non-league schools, particularly Country Day. Although Coach Dufur will be losing a number of good experienced golfers, he has enough underclassmen returning to have a good season again next year.

UNDERCLASSMEN

JUNIORS

The members of the Class of 1968 have been trying to reach their potential for the past two years. Fortunately their Junior year became one in which the class proved itself capable of excellence.

The Juniors began the year with a successful carwash late in August. Immediately afterwards, construction began on the Junior High-Striker for Gaslight Circle, the winner of the trophy for "The Best Booth at Gaslight Circle."

Although there was the economic difficulty of financing the annual Junior-Senior Prom, the problem was solved by selling Junior Candy, and through the diligence of many Juniors, the class presented the Seniors with a prom always to be remembered.

The greatest achievement during the 1966-67 school year, however, was the fact that the Class of 1968 had proved that it was finally ready for a successful senior year.

SOPHOMORES

The Sophomore Class began their second year at Clayton High with the skit, "Last Night in the Batcave," at Gaslight Circle, a rousing success written by members of the class.

Then came Homecoming and the class float became a reality. Towering over the Homecoming parade, it showed everyone that the Sophomores had helped to make this a wonderful weekend.

The class kept working through December when they sold candy to help bolster the treasury for their biggest project of the year. Using upstairs Depo, the Sophomore Class presented a tremendously profitable nightclub which offered a great band, a casino, a bar, and a ragtime piano room.

As the year progressed, the class showed more and more spirit. Led by their JV cheerleaders, they supported their teams throughout every season; and the Sophomore Class completed a most successful year with great spirit, promise, and responsibility.

FRESHMEN

The Freshman Class entered the 1966-67 school year at Clayton High with a burst of enthusiasm and spirit. Before classes were even in session, the Freshmen were playing an important part in school affairs, participating actively in the planning and construction of Gaslight Circle, and operating the Freshman Ice Cream Parlor there.

The Class of '70 displayed real spirit at all of the Varsity and JV games, and heartily cheered their own teams on to countless victories. This same spirit was carried into the classrooms, too, where the students strived to excel in their studies—and succeeded.

The Freshman improved their financial position this year with a combination bake sale and car-wash, and a movie later in the year. With a wonderful start like this, there is no doubt that the Class of '70 will go far in its remaining three years at Clayton High School.

SENIORS

Senior Class Officers—Vice-President Ed Lipkin, Secretary-Treasurer Jane Barker, President Ed Presberg.

SENIORS

As the Seniors await their diplomas on Graduation Day, memories of the "Spirit of '67" will pass through their minds. The "Spirit of '67" was born Freshman year as the Frosh rushed right in to all the new exciting events. Highlighting the year was the record-breaking season of the Frosh Basketball Greyhounds.

The usual "Sophomore Slump" was unknown to the Class of '67. Early in the year, the class held their first project, the successful "12¢ Strip." The "Spirit of '67" had reached its greatness as the Sophomore Class won the Spirit Banner.

The Junior class showed its originality with the outstanding homecoming float, "Bury the Colts." Nor did it stop there, for the Juniors produced an original movie, sold Junior Candy throughout the year, and produced one of the best Junior-Senior Proms ever. The year was climaxed with the Juniors again receiving the Spirit Banner.

Finally, the class was on top—Seniors. Their "Hoopla" booth at Gaslight Circle was only a good beginning to the best year of all. Homecoming was special for the Seniors as the "Spirit of '67" was honored at the Bonfire and the float, "A Toast to the Greyhounds" honored all the sports. The Seniors then presented a successful fashion show, "Fashion in Orbit."

The "Spirit of '67" was seen in all aspects of the high school community; in academics, in athletics, and in activities. The Spirit shined, and will keep shining for all the members of the Class of '67.

Featuring Palm-Beach Formal Wear

One Day,

we'll be governed
by people your age!

Look around you. In 20 years some of the faces you see now may be recognized by millions. When that day comes, you and your classmates will be making many of the important decisions in industry . . . in our school systems . . . space program . . . government.

Seems incredible that it could happen in such a short time, doesn't it? But you'll be ready. Because between now and then you'll get a lot of practice handling new responsibilities. College. Career. Marriage. Children. A hundred varieties of financial responsibilities.

If you haven't already, drop by for just a few minutes. Let us show you what we can do for young people like yourself. It's never too early to have your own bank.

Sincerely yours,

The County National

Glenn
Everybody probably
has been telling
you what a great
president you were. Well
I think you were the
best C.H.S. has had in
a long time. You really
deserve a round of applause
for it. Lots of love
J.

Dear Glenn,
We didn't
see each
other too much
this year, but
I'll still
remember
your face.
Smiling face.
Stay Happy
Always,
Cause that's
how I'll
remember
you.
Love,
Margie

Would you believe I used to be a 95-pound weakling?

Somebody wind him up. He's run down again.

I am the Great and Powerful Oz!

You're not asleep are you coach? Coach?

So what if there's a full house out here. I've got one too.

I'm glad you were Pres. & that you "ginned & beared it with our dumb class. See you next year after."

Bruce, if you walk off with one more street sign, you're fired!

From the cough control center . . .

Get away or I'll yell for Alex!

We den-mothers have to be on our guard at all times.

Dear Glenn,
you're a great person
to talk to. Only you know
the story of my true loves.

Glenn, I'll have to settle for this space - it's about the only one left. It's been a great year with you as president. You really stimulated our class. Congratulation I only wish I could have seen more of you this year. Good luck always. Nancy

Dear Glenn,
Well I guess writing to you is the hardest you have meant more to me than practically any boy this year. There is so much to say and no time or space to say it. I've really had some great times with you and I'll never forget any of them. Please always be the Glenn Barker I always knew.
Love ya always,
Jinda

P.S. You are real undrinkable to my friend Glenn, you are my favorite type neighbor, in fact you are my only favorite friend type neighbor. Maybe I will think of more to tell about.
Love,
Andy
